**The Relationship between Service Quality and Patient Satisfaction at Karin Beauty Clinic Baturaja, Ogan Komering Ulu Regency 2024
(xv/ 41 pages/ 5 tables/ 2 Charts/ 7 appendices)**

In the current era of globalization, beauty is something that is very inherent to women. The survey results revealed that the reason respondents wanted to use beauty care products was around 66.35% of the total number of respondents, then the age at which they started using beauty care products was around 46.43%, the average respondent was aware of the signs of premature aging at the age of 25-20. 30 years there is around 57.07%. This study aims to determine the relationship between service quality and patient satisfaction at Karin Beauty Clinic Baturaja, Ogan Komering Ulu Regency.

Research method used was an analytical survey with a cross sectional design approach. This research was carried out at Karin Beauty Clinic Baturaja, Ogan Komering Ulu Regency in 11-26 January 2024. In this research, the population in this study were all consumers who came to Karin Beauty Clinic Baturaja, Ogan Komering Ulu Regency in 2023, totaling 6,031 people. The total sample of 99 respondents at Karin Beauty Clinic Baturaja, Ogan Komering Ulu Regency was taken using accidental sampling technique. The research instrument uses a questionnaire sheet. Data analysis used univariate analysis and bivariate analysis using the chi square test.

Results of the univariate research showed that there was a frequency distribution of patient satisfaction at Karin Beauty Clinic Baturaja, Ogan Komering Ulu Regency, it was found that more respondents were satisfied, namely 71.7% compared to who were less satisfied 28.3%, the quality of service was better. Many were good, namely 80.8% compared to 19.2% who were not good. The results of the bivariate chi square statistical test obtained a p value = 0.004.

The conclusion is that there is a relationship between service quality and patient satisfaction at Karin Beauty Clinic Baturaja, Ogan Komering Ulu Regency with value. It is hoped that the owner of Karin Beauty Clinic Baturaja, Ogan Komering Ulu Regency can complement existing treatment services, such as adding whitening injection services and others.
